

## Leadership Dynamics Registration Options

Summer of 2010

Leadership Dynamics camp is held at Badger High School, 220 South St., in Lake Geneva. We have built our own low ropes course, and we have trained our staff as ropes facilitators. That means we are able to spend more time outside working on activities that enhance our growth. Our high ropes activities will take place at Eagle's Nest, Lutherdale Camp, just outside of Elkhorn.

Badger High School has a number of attractive features: air conditioned sleeping quarters, many outdoor teaching areas, facilities for inclement weather - day or night, excellent food, secure facilities at night and hot, clean showers.

The room and board cost of Leadership Dynamics is \$110 per student. There is a \$30 chaperone fee which will be refunded to those parents who chaperone. There is a \$10 fee to provide each student with a water bottle and a bandana with the Leadership logo on it. The total cost will be \$150.

If you decide to enroll in Leadership Dynamics for this summer, make sure you complete the special registration contract and submit it with your payment to Mrs. Giovingo. Make sure you complete and submit your registration by April 9th, even if your week selection is tentative. We need to know how many students will be enrolling in this program to hire and train our staff for the summer.
